Pursuant to Chapter 4-60-040(h), of the City of Chicago Municipal Code, the City of Chicago Department of Business Affairs and Consumer Protection/Local Liquor Control Commission ("BACP"/"LLCC") has authorized the issuance of the tavern license to the above named business entity and business location under the following conditions:

1. The Licensee shall staff a minimum of three persons outside of the Licensed Premises in identifiable clothing (usually black suits with shirt and tie) when the Licensee is open to the public. The attached diagram shows the number of security cameras and their location.
2. The Licensee will provide the Chicago Police Department ("CPD") immediate access to view its digital security recording units in the event an incident occurs on or adjacent to the Licensed Premises. Upon reasonable notice to the Licensee (which in no event shall be less than 24 hours) Licensee shall preserve and provide to CPD electronic format footage from an incident.
3. The Licensee shall limit the number of patrons to the occupancy limit certified by the Buildings Commissioner. Licensee shall maintain an ingress and egress count of the number of patrons on the Licensed premises.

Licensee will make reasonable efforts to keep patrons quiet while waiting in line.
5. The Licensee will display the requisite "Please respect our neighbors," "No loitering" and "Exit quietly" signs.
6. A representative of the Licensee corporation shall attend monthly hospitality beat meetings and monthly C.A.P.S meetings. Stefan Billen or Mark Jurczyk, shall personally attend one of these

7. The Licensee shall require its promoters to seek approval from Licensee of any advertising.

The conditions of the tavern license, issued pursuant to this Plan of Operation, are legally binding and may be enforced by City of Chicago enforcement authorities under MCC 4-60-040(h). All other conditions of the license are governed by the City of Chicago Municipal Code. Violation of the above stated conditions, unless otherwise agreed to, may result in the imposition of a fine and/or suspension or revocation of all business licenses issued to the Licensee. Violations of the above stated conditions may also result in the issuance of cease and desist orders prohibiting the activity which violates the conditions of the liquor license.

The conditions of the liquor license issued pursuant to this Plan of Operation shall apply to the business address and Licensee and to all officers, managers, partners and direct or indirect owners of the entity of which is licensed. The sale of the business to other persons purchasing the stock or membership units of the licensed entity does not void the conditions of the license. Any and all potential new owners of the licensed entity shall be subject to the same conditions set forth in this
